LOVE CENTERS

Using ancient family secrets, we are able to alchemically infuse the negative ion energies of Unconditional Love into all of our unique Love Energized food products, cosmetics, cleaning supplies and healing treatments.

Love Expos
The Ultimate Love Energy Experience

When many Wab Sekhmet Healers gather in one place, the overlapping of their Enlightened Spiritual Energy Fields of Conscious Awarenesses creates an abundance of the negative ions of Unconditional Love.

The abundance of “feel good” negative ions at a Love Expo far exceeds the energies one enjoys by rivers, oceans, waterfalls, in the Vatican’s Sistine Chapel, temples or even the “energy vortexes” of Stonehenge and Sedona. Love Expo Energies are such that healing miracles occur at each Love Expo.

The alchemically Love Energized people and products at a Love Expo create such high level Love energies that a Love Expo cannot be described in words—it can only be experienced. One is transformed by the power of Unconditional Love upon walking into the energies of a Love Expo.

A Love Energized Healing Treatment gives any open minded individual at a Love Expo the opportunity to be in the state of Consciousness, known as Enlightenment, for an entire day, and to be healed of any type of disease.

Love Expos offer all of our Love Energized Presentations of Wisdom in one weekend and there are an immense variety of free samples from our unique Love Energized Products available at a Love Expo.

Each Love Expo also offers Love Energized snacks and complete meals from family recipes thousands of years old. All of our snacks and meals are alchemically infused with the negative ions of Unconditional Love during each step of the cooking process.

Taste the amazing energies of Unconditional Love in snacks, and in a full, or sample, meal. Choose from a wide variety of culinary delights. Love Expos also give one the opportunity to experience the wondrous energies and feelings from the same natural skin lotion formula used by Cleopatra, whose silken skin seduced a Caesar and Marc Anthony over 2,000 years ago.

Enjoy the exquisite flavors and wonders of Unconditional Love’s negative ions in Guan Shi Yin’s favorite meal, prepared from a 3,000 year old family recipe. Receive a Love Energized Healing Treatment and become the person you have always wanted to become, by spending an entire day in Enlightenment and becoming healed of forms of disease.

Love Centers

Love Centers are located in towns and cities around the world. In time, we will have our own places, but for now, our Love Centers are primarily located in family members' homes.

We offer our wondrously effective Love Energized Healing Treatments at each Love Center. Our all day Love Energized Healing Treatments are limited to a maximum of five people, so we may maximize the amount of personal time between the Healer and those receiving a Healing Treatment.

Our Love Energized Presentations of Wisdom are now being given at Love Centers. We also give out free samples of our Love Energized Food Products and Cosmetics at Love Energized Presentations of Wisdom.

Each Love Center offers a selection of our unique Love Energized Natural and Organic Food Products, Natural and Organic Cosmetics and Natural Non-Toxic Cleaning Supplies. Each Love Center also offers Love Energized Mystery Schools on a periodic basis.

Email Info@LoveExpos.org to schedule a Love Energized Healing Treatment at the **Love Center** (<http://www.loveexpos.org/centers.htm>) closest to you and/or to obtain a listing of upcoming Love Energized Presentations of Wisdom at that center, a list of that center's Love Energized Products and/or a schedule of their upcoming Mystery Schools.
